LONG LIFE STARTS WITH THE COLON

When someone's health finally runs down, the gut is nearly always compromised. Appetite is weak. Digestion is poor. Elimination is hazardous. When someone's health soars, the opposite is true. Appetite is strong. Digestion is robust. Elimination is regular.

So, if you want to enjoy worry-free long life, the biggest single thing you can do is: EAT LESS. The over-consumption of food is the number one cause of almost every gut and colon problem. It's been said that any person can easily survive on one third of the daily food intake. The other two thirds only benefit doctors and drug companies.

While you're making some simple and super effective lifestyle changes, you owe it to yourself and your loved ones to try **CLEAN MACHINE™** colon cleanse. There's no other product on the market that's so gentle and effective at both cleaning out the colon, improving intestinal tone, and promoting regularity.

Remember, a healthy colon is the best way to insure health and longevity. Try **CLEAN MACHINE** for 60 days – RISK FREE.

CLEAN MACHINE™ can help you eliminate a lifetime of serious discomfort and worry, now.

Most people clean their houses on a semi-regular basis, but they almost never think about cleaning their colon. They think the "plumbing" should just take care of itself, but if the plumbing in your house gets clogged and backs up, you don't think twice about calling a plumber to unclog the pipes.

When you don't unclog and release old impacted fecal matter, this blockage prevents new nutrients from being properly absorbed into your system...

- ▶ This blockage shuts down your first immune response...
- ▶ This blockage can encourage dangerous germs and viruses...
- ▶ This blockage zaps your energy and never allows you to outpace the threat of germs and dangerous bacteria.

Worse still, most people also accept bowel irregularity as a function of getting

older, bowel problems are by no means an inevitable part of aging.

NOW, BY USING CLEAN MACHINE™ COLON CLEANSE, YOU CAN...

- ▶ **BUST LOOSE BELLY FAT** and get immediate relief from colds and flu, constipation, diarrhea, breath and body odors, fatigue, headaches, sinus problems, allergies, hemorrhoids, weight problems, digestion ailments, back pain, poor eyesight, failing memory, stress and much, much more.
- ▶ **GET** the most mileage out of all your food and reduce your craving for sweets, fatty acids, starches, dairy and animal protein.
- ▶ **ELIMINATE** the toxins, poisons and sludge that are making you sag and drag.
- ▶ **INCREASE** your energy dramatically almost overnight!

Now, by using **CLEAN MACHINE™**, you can safely, gently and naturally cleanse your colon without discomfort. While extremely effective at cleansing the colon, **CLEAN MACHINE** is also very gentle – with results within 24 hours.
