

“I don’t think I would have survived if my vitals had not been in such good shape thanks to Natto Clear!

“My name is Ruth Brant. I am 84 years old. And if it weren’t for Natto Clear™, I might not be alive today to tell you my story.

Several years ago, my husband and I were on our way to dinner at a favorite restaurant. Instead of taking our usual route, my husband took a shortcut on a back road that ran through the mountains. Soon we were lost and

ended up on a dead-end road. As my husband tried to turn the car around, it slid off an embankment into a shallow gully. I was

petrified. It was pouring rain and we were stuck fast in the middle of nowhere.

When I got over the initial shock, I got out of the

car to go get help. Just then my husband hit the gas pedal. The car suddenly lurched forward, slammed me to the ground, and ran over both my legs. I must have laid there for an hour before the police

and ambulance found us.

The next two months in the hospital were agony for me. My right leg was broken and the spinning tire

“After my husband ran over both my legs, I was in the hospital for 2 months!”

had peeled much of the skin off my leg so I had to have skin grafts.

Despite my age and the severity of my injuries, I recovered. I give a lot of the credit for my recovery to the nutritional supplement, Natto Clear™. I don't think I'd have made it through this perilous time if it were not for NATTO CLEAR™.

I had been taking it for some time prior to my accident. My doctor had wanted to put me on prescription drugs to address high cholesterol, high blood pressure, and borderline diabetes but I wouldn't consent. 'I know my body better than he does,' I thought to myself. So I decided to see what results

I'd get from watching my diet and trying Natto Clear™.

Natto Clear™ worked for me so by the time of my accident, my vitals were all in good order! When they checked my pulse, heart, blood sugar, kidneys. etc. at the hospital, everything was functioning well.

In fact, the nurses at the hospital were amazed at my strength and stamina. They said I must have been one of the Rockettes because I could lift my leg so high when it was time to change the dressing.

I have had my share of medical problems: triple bypass surgery, gallbladder surgery, knee replacement, cataracts, hernia, carpal tunnel syndrome and colon

cancer. After all of those, the car accident should have done me in. But I credit Natto Clear™ for helping to build up my strength so that when that terrible tragedy struck, my body was able to take it.

Today, I still take Natto Clear™ and other all-natural IVL products. I read a lot about nutrition and study about it. I don't like to take any more prescriptions than I have to and feel that the right nutrition can help me keep going without them!”

J.R.R., Flagstaff, AZ

MOST PEACEFUL SLEEP I EVER HAD!

"I am 67 years old and on no medication, eat a normal diet with a lot of vitamins and herbs. Started taking NATTO CLEAR morning and night 4 months ago, noticed a big difference in sleeping pattern. Fall to sleep quickly and wake up 8 hours later, no aches no leg cramps. Most peaceful sleep I ever had. I plan to take this the rest of my life. Thank you."

L.H., Vero Beach, FL

NOTICEABLE RESULTS IN JUST TWO WEEKS!

"My wife has been having symptoms that seemed like her heart was being overworked ... short-

ness of breath and sometimes her left arm felt too weak to use. This had been going on for over a year and we tried different health products but nothing seemed to work. Then I decided to give NATTO CLEAR a try. After a couple of weeks of using NATTO CLEAR she definitely started complaining less and she was able to work more without tiring so easy. Now she can put in a full day's work ... What a great blessing that is! Thank you for your fine product."

E.C.S., Wilton, WI

BLOOD CLOT GONE!

"In December, 2005 I had a hemorrhage in my eye. Since then, at each visit to the eye specialist I was told I had a blood clot in the eye which was not getting any smaller. The doctor wanted to inject a steroid directly into the eye to dissolve the clot. I said no because that scared me. I purchased your NATTO CLEAR which arrived in mid-July this year, and started taking it soon after. On September 18, 2006 I saw the doctor again. He told me the clot is gone, that there is virtually none of it left, so I do not need any treatment. Thank you very much for this product."

E.M., Jackson, NY

NO LEG NUMBNESS AND NO MORE COLD FEET!

"I am now 73 years old and I began taking NATTO CLEAR over a year ago as prevention to getting heart problems. I only took one capsule a day which is half the recommend dose. Within about two months I started noticing I had less numbness and less coldness in my right foot and lower leg, which I was told (after having an MRI) was probably caused by a misalignment in my lower spinal area apparently caused when I hurt my back in 1988. I went to a chiropractor off and on for about 10-12 years and nothing seemed to help. Anyway after about 6 months of taking NATTO CLEAR I no longer had foot or leg numbness or coldness and I quit wearing socks to bed. I apparently had a circulation problem which I no longer have. I am still only taking half the dose and I will continue to do so for the rest of my life."

GREAT RESULTS FROM A HEART HELPING MIRACLE!

“My cardiologist put me on Coumadin, I have congested heart failure plus a leaky mitro valve. After experience with Coumadin and its effects I stopped taking it. When I went back to my cardiologist, he asked what dose of Coumadin that I was taking I told him I stopped taking it because I found something better in an ad in a magazine called Natto Clear. He said what is that, I showed him the bottle. He said he'd never heard of it, it doesn't do the same as Coumadin. I said how can you make a statement like that, if you never heard of it. I said it's new in this country, it's a Japanese product. It does what Coumadin does plus more. I've been using it for two months with great results. In my visit to have my blood work done, it is better than ever. Since then, I have spread

the word to doctors, nurses and anyone interested on getting off Coumadin. PS. I am 83 years old, will be thankful to Natto Clear forever.”

**Anthony Keydash,
Baltimore, MD**

NO FURTHER CRAMPING!

“As a nurse I'm on my feet 8-12 hours per shift. My right leg was getting heavy, thicker in the calf area. I knew that could not be good. I began Natto Clear and subtly the thickening, heaviness resolved. I also have no further toe cramping when I stretch my legs. Thank you.”

L.W., E. Haven, CT

IT TOOK CARE OF THE PROBLEM WITH NO AD- VERSE SIDE EFFECTS!

“I tried Natto Clear because I was having stinging pain and discomfort in my right chest area. After taking the pills for a while, I began to feel a tingling sensation in the very same location where the pain had been. It seemed like someone had given the Natto Clear an arterial map with instructions on where to go and what to do, and it went there and cured the problem. There were

no adverse side effects. It is a great blessing for everyone that this product has now become available.”

K.A., San Mateo, CA

I CAN BREATHE AGAIN!

“Natto Clear is great for the fibromyalgia I have suffered from for years—aches and pain and ever so fatigued. After taking Natto Clear for 2 months, most of my aches and pains and fatigue are gone. It also helped me breathe better as well. I have always been short of breath and had a stroke a few years ago. Now I feel so much better. Getting up every day is a blessing now instead of a tired drag. I am 71 years old and at this age I need all the good feelings and energy I can have to care for myself. Thank you for your interest in human nature and giving us a new lease on life!”
