

## HELP FROM THE DESERT LIKE NO DOCTOR CAN OFFER...

**HELPS BALANCE BLOOD SUGAR!** Laboratory studies suggest that aloe can stimulate insulin release from the pancreas and can lower blood glucose levels in mice.

**HELPS LOWER CHOLESTEROL!** When used internally, aloe vera helps rebalance the blood chemistry in a way that lowers cholesterol and total triglycerides.

**HELPS REDUCE INFLAMMATION!** By making your blood circulate better, aloe vera helps relieve joint and muscle pain.

**HELPS REDUCE BOWEL COMPLAINTS!** Aloe Vera can help rebuild and repair the protective mucosa lining throughout the digestive tract and promote better absorption and assimilation of nutrients from food.

**HELPS CLEAN YOUR KIDNEYS!** Aloe contains aloe-mannan which stimulates the growth of healthy kidney cells and helps to slow the formation of kidney stones.

**HELPS STIMULATE THE IMMUNE SYSTEM!** Aloe Vera contains a large number of basic healing nutrients which are found in every cell in your body. It contains vitamins C,A,E,B1,2,6, and 12 as well as iron, manganese, calcium and zinc and as such, is an antioxidant stimulant to the immune system.

**HELPS OVERCOME VIRUSES!** A polysaccharide called acemannan from aloe leaf rind has been found to impair the ability of viruses to infect healthy T-cells.

**HELPS INCREASE OXYGEN IN YOUR BLOOD!** Of greatest benefit to you... aloe vera can help bring more oxygen to your blood to enhance the function of tissues and organs.

Now, the highest potency Aloe Vera (500mg) has been combined with Vitamins E and C to make **NATIVE ALOE SOURCE™**, a new all-purpose health formula that can help repair and rebuild your body, naturally – as nature intended.

## Can Aloe Vera help extend your lifespan?

### GO ASK THE LAUGHING MAN...

There are native peoples all over the world who live close to the earth and who primarily eat the fruits, vegetables, nuts and grasses of the earth. Whether in Africa, Greece, Australia or the American Southwest, Aloe Vera is regarded by native peoples as the "plant of immortality," and it's easy to see why.

Aloe vera contains dietary nutrients such as potassium, calcium, magnesium, zinc, manganese, and chromium which are all essential for maintaining a healthy metabolism. In other words, aloe vera is virtually a gold mine of health-supporting phytonutrients which have been shown to have anti-aging effects.

From its dramatic ability to help repair wounds, to ease nearly any stomach complaint, Aloe Vera has proven itself effective for speeding up the body's natural ability to bring itself back into balance.

Now, it's your turn to take advantage of this amazing natural miracle by ordering **NATIVE ALOE SOURCE™** today – RISK FREE.
