

## EVER TRIED THE ENERGIZING BENEFITS OF DRINKING ALOE?

We have, hundreds of times... and we are NOT thrilled with the taste, so we set about creating our own energy drink with an aloe base, combined with the best-of-the-best new superfood fruits.

The result is **REVIVE & THRIVE**.

Why will you love using this amazingly restorative drink? Well, first of all, it tastes like energy feels: **OUT-OF-THIS-WORLD GREAT!**

But also with each glass of **REVIVE & THRIVE**, you'll be infusing your body, not with sugar and caffeine that's secretly loaded into most of the so-called energy drinks, but with...

- **FREE-RADICAL-FIGHTING ANTIOXIDANT POWER** that makes 5 apples a day look like diddly-squat... (think: more beta-carotene than carrots, more Vitamin C than oranges, more lycopene than tomatoes!)
- **SOOTHING, ANTI-INFLAMMATORIES** that can help ease rough joints and may even quiet beastly digestive traumas without traumatizing your liver or kidneys like so many NSAIDs like aspirin or ibuprofen.
- **IMMUNE-BOOSTING NUTRIENTS** that keep your Natural Killer Cells alert while modulating out-of-whack immune responses that cause allergies.
- **SUPER NOURISHMENT FOR YOUR EYES** with beta-carotene, lutein and zeaxanthin to keep you sharp and focused.
- **POWERFUL NUTRIENTS THAT FIGHT BRAIN TISSUE LOSS** and stop formation of beta-amyloid clumps that have been linked to Alzheimer's.
- **AMINO ACIDS** that have been linked to everything from cardiovascular health to male potency.

You can take advantage of all this delicious, hi-octane liquid nutrition in one easy-to-mix proprietary drink that's guaranteed to pick up and carry you wherever you need to go.
